NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

The financial statements cover Palmera Projects as an individual entity, incorporated and domiciled in Australia. Palmera Projects is a company limited by guarantee and is a charity registered with the Australian Charities and Not-for-profits Commission.

The financial statements were authorised for issue on 22nd January 2023 by the directors of the company.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

Palmera Projects applies Australian Accounting Standards - Simplified Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010-2: Amendments to Australian Accounting Standards arising from Simplified Disclosure Requirements.

These general purpose financial statements have been prepared in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, Australian Accounting Standards – Simplified Disclosure Requirements of the Australian Accounting Standards Board (AASB) and Interpretations of the Australian Accounting Standards Board. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies

a. Revenue

Non-reciprocal grant revenue is recognised in profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the state of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Palmera Projects receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of comprehensive income.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customer or donor.

b. Cash on Hand

Cash on hand includes cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

c. Provisions

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

d. Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the company retrospectively applies an accounting policy, makes a retrospective restatement or reclassifies items in its financial statements, a third statement of financial position as at the beginning of the preceding comparative period, in addition to the minimum comparative financial statements, must be disclosed.

e. Income Tax and GST

No provision for income tax has been raised as the Company is exempted from Income Tax under Div. 50 of the Income Tax Assessment Act 1997. The Company is also exempted for Good Services Tax (GST) and Fringe Benefits Tax.

f. Trade Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

g. Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Key judgement – Employee benefits

For the purpose of measurement, AASB 119: Employee Benefits defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related services.

h. Economic Dependence

Palmera Projects is dependent on the General Donations for the majority of its revenue used to operate the business. At the date of this report, the Board of Directors has no reason to believe the Public will not continue to support Palmera Projects.

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Palmera Projects, the directors declare that:

1. The ACFID Code Compliant financial statements are consistent with the statutory audited financial statements of Palmera Projects for the year ended 31 December 2022.
2. The full financial statements and notes, as set out on pages 7 to 16:
 - a. comply with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012*;
 - b. give a true and fair view of the financial position of the company as at 31 December 2022 and of its performance for the year ended on that date.
3. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Tamara Pararajasingham (Chair)

Dated this 22 day of January **2023**

Independent Audit Report to the members of Palmera Projects

Qualified Opinion

We have audited the financial report of Palmera Projects (the company), which comprises the statement of financial position as at 31 December 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial report of Palmera Projects is in accordance with Div 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) giving a true and fair view of the Company's financial position as at 31 December 2022 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards - Simplified Disclosure Requirements to the extent described in Note 1 and the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Qualified Opinion

Fund raising revenue is a significant source of revenue for Palmera Projects. Palmera Projects has determined that it is impracticable to establish controls over the collection of fund raising appeal activities prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to fund raising revenue has been restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether the fund-raising revenue of Palmera Projects is complete.

However, based on our understanding of the internal controls, nothing has come to our attention which cause us to believe that the internal controls over revenue from fundraising appeal activities by Palmera Projects are not appropriate given the size and nature of the entity.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibility of the Directors' for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosures about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Report on the ACFID Code Compliant Financial Statements

The accompanying ACFID code compliant financial statements of Palmera Projects, comprising the Statement Of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Table of Cash Movements for Designated Purposes for the year ended 31 December 2022, and abbreviated explanatory notes, are derived from the statutory audited full financial report of Palmera Projects for the year ended 31 December 2022. We have expressed a qualified opinion on those statutory audited financial statements on our report dated 19 January 2023.

The ACFID code compliant financial statements do not contain all the disclosures required by applicable Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Act 2012. Reading the summary financial statements is not a substitute for reading the full audited financial report for Palmera Projects.

Responsibility for the ACFID code compliant financial statements

The directors of Palmera Projects are responsible for the preparation and presentation of the ACFID code compliant financial statements, and the basis of preparation is appropriate for the purpose in which they have been prepared in accordance with the Australian Council For International Development (ACFID) Code of Conduct.

Auditor's responsibility

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Auditing Standard *ASA 810 Engagements to report on Summary Financial Statements*.

Auditor's Opinion

In our opinion, the ACFID code compliant financial statements derived from the full audited financial report of Palmera Projects are consistent, in all material respects, with the audited financial statements from which it was derived. However, ACFID code compliant financial statements should be read in conjunction with our audit report on the full statutory financial reports which contain a qualified audit opinion.
